Dear Mr.Marsel Williams,

On behalf of the students and staff of THE PARADISE RESIDENTIAL SCHOOL, We thank you for the workshop you provided for our students on "How to face exams without Phobia". Although we strive to provide the best instructional experiences for our students, the work experiences presented by you is really commendable. We are sure that students will remember your presentation and it will be a source of inspiration as they pursue their occupational interests. Your contributions are greatly appreciated!

We are grateful for the time and effort you took to share your thoughts and experiences with our students in spite of your busy schedule.
